WORKSHOPS

25 BRAIN TEASERS

TO UNLOCK STRATEGIC & CREATIVE THINKING

FOR WORKSHOPS • ICE BREAKERS • PROBLEM SOLVING • TEAM ENGAGEMENT

KICKSTART THE BRAIN SPARK THE ROOM.

Brainteasers aren't just for fun, they're a powerful way to activate both the analytical & creative sides of the brain for sharper focus and fresh thinking.

In this doc you'll find a range of brainteasers that can be used in your in-person or online workshops. Break the ice, loosen people up, and build connection fast to shift from business-as-usual to collaborative problem solving, livelier discussion and a workshop experience that's more memorable and fun.

ANSWERS

For some questions, using an old-fashioned pen and paper can make it easier to work out the answers. Answers are provided at the end of this document.

Warm-up Spot the odd one out

SAY WHAT YOU SEE

Brain Teasers

Look at each image and **Say What You See**. The pictures represent a well-known word, phrase, or saying.

1. Say what you see

THINK

2. Say what you see

ESGG
GGES
SGEG
GESG

3. Say what you see

MTY L111F1E

4. Say what you see

STAND
i

5. Say what you see

KNEE
light light

SEQUENCES

Brain Teasers

Look at each **Sequence** carefully. Test your logic and pattern-spotting skills.

6. Complete the sequence

A

B

C

D

7. Which image matches the 3D view?

A

B

C

D

8. Which image replaces the '?'

A

B

C

D

9. Crack the code

CODE

682

One number is correct and well placed

614

One number is correct, but wrongly placed

206

Two numbers are correct, but wrongly placed

738

Nothing is correct

870

One number is correct but wrongly placed

10. What number is the parking space under the car?

COINS

Brain Teasers

Exercise your creative logic with these **Coin** teasers.

11. Move 1 coin to reverse the order

12. Draw lines to connect coins of the same colour.
Make sure the lines do not cross each other.

13. Add 2 squares so that each coin is separated by a line

14. The triangle has 8 coins per side. Add 3 coins and rearrange the coins so that each side still has 8 or fewer coins. You can move as many coins as you want.

15. Draw a line from the arrow on the left to the arrow on the right, that goes across every coin without the line crossing itself

MATCHSTICKS

Brain Teasers

Ready to trick your eyes? Tweak the **Matchsticks** to transform the shape or make the equation true.

16. Move 2 matches to create 6 squares

17. Remove 6 matchsticks to leave 10

18. Correct the equation by moving 2 matchsticks

19. Move 2 matches to spell out the word CAT

20. Move 2 matches to get the cross out of the cup

SHAPES

Brain Teasers

Enhance your analytical skills – manipulate and decode the **Shapes** to uncover the answer within.

21. What's the missing value?

$$\square + \triangle = 20$$

$$\bigcirc + \bigcirc = 12$$

$$\bigcirc + \triangle = 20$$

$$\square + \triangle + \bigcirc = ?$$

22. Which is the odd one out?

A

C

B

D

23. How many triangles can you see?

24. Which view is correct from the arrow's perspective?

A

B

C

D

25. What number is the ‘?’

A short note on how we can help
you shape brand and marketing
propositions that drive growth

GET AHEAD IN 2027

Workshops That Make Teams Think, Align, and Deliver

At FindYourAngle we design and run brand and marketing workshops that get senior teams thinking differently and working better together. Through a balance of analysis and creativity, that keeps everyone engaged, we turn collective thinking into commercially powerful marketing propositions and a clear way to take them to market.

What's included in a workshop

LET'S DO THIS TOGETHER!

Our facilitated workshops combine strategic insight, creative stimulus and practical frameworks to:

- **Clarify customer needs and priorities**
- **Define market differentiating propositions**
- **Build alignment across leadership and marketing teams**
- **Translate thinking into actions**

The result.

Breakthrough thinking that's grounded in business reality with a clear path from idea to implementation
